The A.P State Council of Higher Education has been receiving lists of admissions into various courses made through various Common Entrance Tests held during 2015 for ratification by the Competent Authority. It is noticed that certain Managements have made admissions with candidates from outside the state of Andhra Pradesh, though the Council has issued notices to such colleges concerned / denied to ratify the admissions made in 2014-15 as there is no provision for such admissions in the rules in force. - The Management shall record the total details of each student in a separate register along with documentary proofs (like Voter card, Aadhar Card, driving license etc)
